### **Steve Wilson, Chief Executive Officer**

Steve Wilson brings 18 years of technical, finance, operations and management experience to his role as co-founder and Chief Executive Officer of FastPencil, Inc. Steve previously held senior management positions at Genentech, Yahoo and VeriSign, mainly in finance and operations. Most recently, Steve was Vice President of Finance Operations at VeriSign where he led high-performance teams, managed over \$1B in corporate spend, and negotiated cost-saving initiatives. Steve has an MBA from Santa Clara University and a BS from San Jose State University. He is a Bay Area native that enjoys spending time with his family, playing sports and coaching one of his four children in their sport endeavors.

### **Michael Ashley, Chief Technology Officer**

Michael Ashley (a.k.a. "Mash"), Founder & Chief Technology Officer of FastPencil, Inc., is a successful entrepreneur with over 12 years experience in web applications and internet publishing technology. Mash has advised senior management teams at Accellion, Fujitsu, PayPal, and Seagate. Mash founded several publishing companies, including Maps N Books, Inc. and SurfMaps, Inc. with over 200 published titles worldwide. Mash has a BA degree in Economics from UC Santa Cruz. In his free time you can find him stand-up paddle surfing in his hometown, Santa Cruz.

### **David Claytor, Director of Product Development**

Dave Claytor is responsible for managing product development and operations at FastPencil, Inc. Dave, who was most recently a Financial Systems Senior Manager at VeriSign, brings over 10 years experience leading the design and implementation of enterprise systems. At VeriSign, Dave led various project management teams to implement enterprise finance and accounting systems and data warehousing initiatives, and worked closely with the CFO to build finance product roadmaps to drive efficiency. Before VeriSign, Dave held positions at Yahoo, Sun Microsystems, and Seagate Technology. Dave holds a BS degree in Business Administration with an emphasis in Financial Management. Dave is an avid mountain bike rider and adventure seeker.
